

**Don't Send a Card. Address a Problem!**

This Christmas, over 7,900 men, women and children will spend the holiday season in a cramped hotel room, trapped in emergency accommodation or bedding down on the cold, wet city streets.

**You have the power to change this.**

**Support the Simon House of Cards Appeal this year and provide life-changing services to people at all stages of homelessness across the country.**

In return for your valued support, your company will be seen by 340,000 *Irish Times*' readers in two adverts in December. You will also feature in our spectacular House of Light projection show on Powerscourt Townhouse Centre. In the New Year, you will be invited to an exclusive **House of Cards Donor Appreciation Morning** to find out more about how your company has made a difference. Please see available packages below:
