

DONATION FORM

Thank you for supporting Dublin Simon Community

Dublin Simon Community works to prevent and address homelessness in Dublin, Wicklow and Kildare. We provide services at all stages of homelessness and enable people to move to a place they can call home.

At Simon, we listen to people who turn to us for help and do everything we can to support them to move out of homelessness into independent living. We strive to empower people to access, secure and retain a home of their own by reducing the reliance on short-term emergency accommodation and providing permanent supported housing for people to sustain a home in their local community. Moving people into supported housing produces life-enhancing and life-saving results and is more cost-effective in the long run.
