# How to Support **Dublin Simon Community** in 2021

## Getting Involved

Thank you so much for supporting Simon #SupportSimon this year! With options for in-person events and volunteering limited, Dublin Simon would be delighted to work with your team on one of our exciting virtual engagement initiatives. Have a look at a few of our more popular initiatives and get in touch with any questions!

## Virtual Workplace Fundraising

Get your team involved in a virtual fundraiser for Dublin Simon! Whether you organise a virtual pub quiz, have a remote coffee morning, or organise a team game day, there's endless opportunities for your team to #SupportSimon!

## Home Run 2021 & Run @ Home

Our annual 5-mile run is back again for 2021! We are hoping to host this in The Phoenix Park in October and are organising a virtual exercise campaign complete with guidance, tips and videos from local trainers to get your team motivated and ready to run!

## Collections

We're always looking for generous groups to collect materials needed by our frontline services. From PPE to hand sanitiser, to clothes and food, we have a constant need for various goods throughout the year. Get in touch for an up-to-date list of what's on our wish-list.

## Payroll Giving & Gift Matching

Create even more impact with your fundraising - be sure to speak with your company to see if Payroll Giving and/or Gift Matching are an option! Whether it be a monthly gift of an hour's wages or organising a matched donation through your company, there are great options to further your impact!

## Longest Day

June 21st is 2021's longest day of the year, but every day is the 'longest day' when you're experiencing homelessness. Join hundreds of our supporters across Dublin for a day of action and fundraising with the goal of ending homelessness.

## Charity of the Year

Still looking to fulfill your company's CSR goals? Dublin Simon has a long history of purposeful, impactful charity partnerships and we'd be delighted to be considered for partnership by your team! We'd be delighted to offer a personal consultation to discuss your CSR strategies and how Dublin Simon can help fulfill them.

## Gaming for Good

Take part in our newest initiative: Gaming for Good! Whether you're an experienced gamer or just a Candy Crush-er, Gaming for Good offers the chance for teams to come together across your organisation, taking part in a video game competition while raising money for charity!

## Seasonal Events

Dublin Simon is always developing new and exciting initiatives throughout the year - interested in a summertime Staycation for charity or getting involved with fun-filled Christmas fundraisers? Keep in touch for the latest campaigns throughout the year via the contact information below.

## How Dublin Simon Can Support You

To support your fundraising efforts, our team can:

1. Offer a consultation meeting ahead of your fundraising efforts to help plan your initiatives and answer any questions.

3. Provide educational content for your team, including interviews with Dublin Simon staff & clients and a virtual tour around our Homeless Services.
4. Support your fundraising through creation of online fundraising pages and regular updates on funds raised.
5. Promote and amplify your support via our social media channels.
6. Provide personalised web/e-mail banners, allowing your employees to showcase your company's support.
